

Sing Summer 2023 - Junior Choir Camp – Camper/Parent Info

Dear Parent/Guardian:

Summer is here and it's nearly time for Choir Camp. We are very excited that you have chosen to send your child to JCC this summer, and are sure it will be a great camp! The following information should answer most of your questions but if it doesn't please feel free to contact me at the NSCF office 902-423-4688 or 1-888-672-3969.

STAFF

Musical Director – Heather Fraser
Assistant Musical Director – Laura Beth Smith
Accompanist – Beth Cranston
Camp Director – Laura Moore
Drama - Josh Noiles
Arts and Crafts – Terry Skidgmore

REGISTRATION - SUNDAY, AUGUST 13th

1. Registration is from 2:30pm – 4:00 p.m. **Please *DO NOT* arrive before 2:00pm**, as we need all the time until then to prepare and the gates will be locked to outside traffic until 2:00. We want to avoid cars waiting on the street. Please enter/exit through the upper gates of the campground. (If you are coming from the highway it's the 2nd set of black gates) There will be gophers helping to direct traffic. All campers should be on site by 4:00 if at all possible. If for any reason you will be arriving later than 4:00pm, please email us to let us know.
2. At registration campers will be assigned their counsellors and cabins. You will have an opportunity to meet your child's counsellor and must sign in at the cabin. Assistance will be available to locate cabins and parents are welcome to tour the campgrounds.
3. The **Camp Nurse** will be present at registration, where she will collect medications and receive any special instructions. She will need to speak to all parents/guardians.
4. **Camp T-shirts** will be provided for all campers and will be distributed on the last day of camp, not at registration. Activities this year include Arts and Crafts, Drama, and Sectional Rehearsals. These groupings will be assigned after everyone is settled.
5. Please **do not send/bring junk food items such as candy or chips for your child at camp. It will be sent back home with you by the counsellor or confiscated if found. Gum is strictly prohibited.** There will be healthy morning and evening snacks available each day.
6. Everyone should come with a **refillable water bottle** (with your name on it) - camp water is excellent - as you will be doing a lot of singing each day and need to keep your body hydrated. It would also be a good idea to bring some mints or throat lozenges.

7. Our chef caters to all manner of dietary needs, but if you are bringing other foodstuff to help augment a diet due to food allergies please inform the counsellor and kitchen staff so that it can be properly stored. Currently our registration indicates that we do have campers with nut allergies and therefore are restricting our kitchen to accommodate such an allergy.

8. **Please do not send a cell phone or other electronic devices to camp!!! It will be confiscated.** There will be lots of activities to keep children busy and happy. We promote lots of personal interaction, and we also want to maintain a fair and equal environment among the children. We have all your contact information and will call you if any issues arise. If you don't hear from us, all is well! ☺ Our contact info at camp is at the bottom of this page, should you need to contact us. Cameras are welcome, however, it would be good to write or attach your child's name to the camera.

CLOSING CONCERT – SATURDAY, AUGUST 19th

Please note that the **closing concert begins at 1:00 p.m. on Saturday. You are welcome to stay and attend our Youth Choir Camp Concert** which will run from 2:30 – 3:30. All concerts are free and family and friends are welcome and encouraged to attend. Once the concert is over campers will be ready to collect their belongings and head for home. Parents must sign them out.

HOMESICKNESS

Minor homesickness is normal at camp and the counsellors, Camp Director and Nurse are trained to deal with it. Almost always, children adjust quickly and are smiling again once they focus on the fun activities of camp and make new friends. It is our experience that the small pangs of homesickness are best dealt with by counsellors, staff and new friends made at camp. Over many years, we have discovered that minor homesickness is usually made worse when children phone home. While your children are in camp, we ask that you do not visit the grounds or call to speak with your children (you may call and speak to his or her Counsellor and/or the Camp Director if necessary) unless there are extenuating circumstances.

Letters from home are always welcome. We recommend that you mail them a week before the start of camp and clearly mark "JCC" and your child's name on the envelope. You may also leave some letters with your child's Counsellor to be handed out through the week. Please do include a return address in case the letter doesn't make it to camp and needs to be returned. Thank you for deciding to send your child to camp. It has proven to be a VERY special place in the hearts of so many children and adults. It is a program that is musically valuable and a lot of fun as well. I look forward to meeting you in August! If you have any questions in the meantime, don't hesitate to give us a call at the numbers or emails above.

Sincerely,

Anne MacDonald
