## HELP! My school doesn't have a choir! Can I still go?

**YES!** Any singers who do not have a choir to send them, may apply individually. Individual singers not being sent by a choir should still be recommended by a teacher/conductor where possible to ensure they have proper support. **Please email [anne@nscf.ca](mailto:anne@nscf.ca) if you don't have a teacher to recommend you but would still like to join.**

## WHAT DOES IT COST?

\$100 - singer recommended from a NSCF member organization school/choir/studio etc.  
\$125 - non-member recommendation. (This fee also provides the individual with a student membership to the NSCF which gets them a discount at our camp programs as well!).

**Bursaries:** Available by Application

**Fee Includes:** Tuition for 16 hours of rehearsal • Music loan and practice materials • T-shirt • 2 lunches and snacks provided on rehearsal weekends • A fantastic musical learning opportunity! Accommodation and night time supervision is the responsibility of the singer's family/guardian.
