OUR GUEST ARTISTS IN RESIDENCE

The Canadian Chamber Choir (CCC) is one of Canada’s most well loved professional choirs, championing education and community building as important as their music making. Our young singers will learn from the expertise of this whole team of artists from all walks of life. Beyond rehearsals, daily activities include drama, art (taught by a local artist), and special workshops with Sherryl Sewepagaham that will explore indigenous ways of knowing and building cultural understanding through music making and creation together.

INCREDIBLE TEAM OF MENTORS

Our dedicated, caregiving team are deeply invested in the well-being of our singers. Former campers, parents, musicians and educators themselves – they return year after year to ensure a happy and meaningful camp experience.

WHAT’S INCLUDED?

Everything for the whole week! A full schedule daily of instructional time in rehearsals, workshops, and social activities. Shared cabin accommodations, delicious home-cooked meals, and 24 hour care from counsellors, nurse and staff.
